My dear Mrs. Manley:

I am herewith enclosing a copy of the telegram this day sent to the State Department and also a copy of a letter which was forwarded subsequent to the telegram. As I informed you this morning I communicated with the State Department in New York and also with the Mexican Consul and both have promised to inform me if any application is made with them by Pearson for a passport.

On receipt of a reply to my letter to the State Department I shall communicate with you forthwith. In the meanwhile should you receive any additional information kindly inform me without delay.

Very truly yours,

Richard E. Carey
